# UN-AU3203

| UN-AUXX03 Series | | |
|---|---|---|
| **Model** | **UN-AU3203** | |
| **Operating System** | Linux | |
| **Video Audio Input** | **Voice Talk** | 1 Channel ， BNC port(Line in,2Vpp,1Kohms) |
| | **Network Video Input Bandwidth** | 200Mbps（The highest 32 Channel 1080P@6M） |
| | **IPC Input** | 32 Channel |
| **Video Audio Output** | **VGA** | 1 Channel ,1920×1080,1280×1024,1280×720,1024×768 Resolution Optional |
| | **HDMI** | 2 |
| | | 3840×2160，1920×1080,1280×1024,1280×720,1024×768 Resolution Optional |
| | **Audio Output** | 1 Channel ,BNC port(Line out,2Vpp,300ohms) |
| **Video And Audio Coding** | **Audio Encode** | G.711A |
| | **Audio Bitrate** | 64Kbps |
| **Video And Audio Decoding** | **IP Channel Resolution** | Main Stream：The highest 5632×4224<br>Sub Stream：Not higher than D1 |
| | **Video Encode** | H.265（Main Profile@L5.0 High-tie）/H.264(The highest Profile@Level5.0） |
| | **Audio Encode** | G.711A，G.726 |
| | **Multi-channel Playback** | The highest 32-ch synchronous playback |
| | **The Highest Decoding Ability** | 16 Channel 1080P@30 |
| **Intelligent Analysis** | 4 Channel face detection or 8 Channel Perimeter detection optional | |
| | The highest Support 1080P | |
| **Others** | **Voice Talk** | Two-way voice talk |
| | **Motion Detection** | Each channel support 396(22×18) detection area; Can be set up multi-level sensitivity ,Necessary to support the IPC |
| | **Snapshot** | Suppor JPEG capture |
| **HDD** | **SATA Port** | 8 |
| | **ESATA Port** | 1 |
| | **Hard Disk** | Unlimited hard disk capacity |
| **External Interface** | **Network Port** | 2 RJ45 Ethernet port, 10M/100M/1000M suitable |
| | **USB Port** | 2 USB2.0 port (Front panel provide 1 and back panel provide 1) |
| | **Alarm Input** | 16 Channel |
| | | Switching value |
| | **Alarm Output** | 4 Channel |
| | | Relay NO、NC |
| | **RS-232** | 1 Channel |
| | **RS-485** | 1 Channel |
| **Structure** | **Packaging** | 520x520x215mm |
| | **Dimensions** | 2U altitude，441x448x88mm |
| | **Weight** | 7Kg（Not include hard disk） |
| | **Installation** | Rack installation，Desktop installation |
| | **Operation Temperature** | 0℃--＋55℃ |
| | **Operation humidity** | 10％--90％ |
| | **Power supply** | 20W(Not include hard disk) |
| **Electrical Performance** | **Power** | 110V~220V±10% 47Hz～63Hz |
| | **Operation Temperature** | 0℃--＋55℃ |
| | **Operation humidity** | 10％--90％ |
| | **Power supply** | 20W(Not include hard disk) |
